INDOOR POOL SCHEDULE

The pool measures: 46 feet by 22 feet 3 feet deep to 8 feet deep

1 length = 1 lap 57 laps = ½ mile
28 laps – ¼ mile 115 laps = 1 mile

Lap Swimming: For individuals who wish to swim in a continuous movement up and down the lap lane(s). If you wish to take a quick break, please be courteous to others and move to the corner of the lane at either end of the pool. Lap swimming is on a first come, first serve basis. The lap lane is the 2 lanes of the pool near the window.

Circle Swim (more than 2 swimmers who wish to swim laps at the same time):

Enter the lap lane with caution. Announce your presence to those already swimming in the lane.

The circle swim pattern is clockwise or counter clockwise to avoid collisions.

Go in the correct order-fastest should go first. Give those ahead of you a ½-length start.

Should you catch up to the one ahead of you, follow to the end before passing. Let those faster than you pass at the end of the lane.

Single Lap Lane (at certain times of the day the lap lanes will become a single lap lane, which can only accommodate 1 lap swimmer): Prior to your entrance into the lap lanes, the lifeguard will let you know that the lap lanes will be a single lap lane in "X" minutes and a time limit of 20 minutes will be allowed for each swimmer.

Three Lap Lanes (at certain times of the day the two lap lanes will become three lap lanes, the open swim side of the pool will be decreased to 1 lane): If more than three lap swimmers arrive to use the pool then a circle swim will be enforced.

Open Swim: Individuals and families may use the pool. Two lanes will be available for lap swimming. Youths under the age of 8 must be accompanied by an adult, age 16 and older. Children age 8 and over will need to pass a swim test (by the lifeguard) in order to use the pool without an adult.

Water Aerobic Classes: These classes will develop strength, flexibility and aerobic fitness for swimmers and non-swimmers. During this time the class has use of the entire pool. No other pool use is permitted.

Swim Lessons: Lessons are offered for children and adults. At least one lane will be available for lap swimming. During the morning swim lessons, depending on the size of the class, you may be asked to move to another area of the pool to prevent interference with the class. During evening swim classes there is either limited open swim or no open swim allowed.

Birthday Parties: Parties are typically held on weekends during open swim times.
