

**All Sport Health & Fitness School-Age Child Care** provides a safe, fun, and supervised care program for school-age children before and after school. Led by experienced staff, children spend time with their friends and participate in structured activities designed to meet their interests and skills.

**Before or After Care** is open to children from Kindergarten through 6th Grade. Our program provides hands-on experience in a safe and caring environment. Activities include sports and games, swimming, arts and crafts, and homework assistance.

Before or After Care allows you to drop your child off to catch the bus to / from school.

School-Age Child Care will operate on the Wappingers Central School District Calendar. It will also operate on school holidays and vacation days at an additional cost.
