

Water Safety Instructor

American Red Cross Blended Water Safety Instructor Training Course

This blended learning course trains instructor candidates to teach courses and presentations in the American Red Cross Swimming and Water Safety Program. Students will also learn the techniques of performing and teaching swimming skills.

Prerequisites

- 16 years of age on or before the last date of the course.
- Complete online Blended Learning before the first day of class (to be received via email once registered for the class)
- All students must successfully complete the following: 25 yards in each of the front crawl, back crawl, breaststroke, elementary backstroke, and sidestroke and 15 yards of butterfly. Tread water for 1 minute. Maintain position on back for 1 minute in deep water (floating or sculling).

Course Information

The blended learning course consists of 23 hours of in-class work and 7 hours of at home, online study. This class includes an online portion that must be completed prior to the first day of class. Participants must complete all 30 hours to be eligible for certification.
