

SCHOOL'S OUT,

PADDLES UP!

PICKLEBALL CAMP

Tuesday, February 17, 2026

8:00am - 5:30pm

Kids ages 8-12

No school? No problem. Schools Out Camp is going all-in on pickleball for the day! This specialty camp is dedicated entirely to pickleball, giving kids the chance to learn, play, and compete in a fun, supportive environment.

The day begins with small-group instruction led by our experienced All Sport instructors, where campers will learn the fundamentals, improve their skills, and build confidence on the court. In the afternoon, campers will put those skills to the test with tournament-style games and friendly competition, designed to challenge players while keeping the experience fun and inclusive.

This is the perfect camp for kids who love sports, enjoy a little competition, or want to try something new during their day off from school.
